Find the right partner, products or services

Having the right partners is critical to success in the market. We have over 6 years of experience in finding business partners / distributors / importers/Suppliers and have matched hundreds of companies working in different industries.

Outsource your procurement: we designed this service to make it easy to find the right product or service. Our service comes with up to 4 steps depending on your products, service and quality requirements : Plan, find, make, ship.

Due diligence

Our due diligence services include independent investigations in the target company's operating qualifications, operating status, background of management staff, market risk and management risk. In addition, we conduct comprehensive review of the target company's compliance with respect to its normal business processes. Examples include whether the target company and its internal staff, shareholders and senior management are involved in adverse litigation, corruption and bribery, and understanding the background of the target company's investors.

Know the legal framework

Advice on legal matters and concerns: consultation and handling of all corporate legal processes (e.g., intellectual property, mergers & acquisitions, compliance issues, transactions, agreements, lawsuits, arbitration, residency, tax, social security, corporate annual renewal etc.)

Business entity Set-up Establishment of LLC, branches and other entities, including all required documentation and submission.

Obtain necessary licenses: preparation and handling of licenses to ensure the right legal basis to start or continue your business

Find the right staff/ Train staff

The best employees for successful businesses Whether you are looking for high skilled workers such as engineers, project manager or other professional workers or skilled workers for technical or hospitality jobs, we are happy to draw on the know-how and experience of Meenas Online and its affiliated partners to find suitable personnel for a long- or short-term assignment.

Be Successful with Your Own Local Employees Together with our partner, we offer trainings in different fields with international curricula and local or international trainers to help your company needs and systematically grow your business.

Finance your Project (applies to goods and services with EU or USA origin)

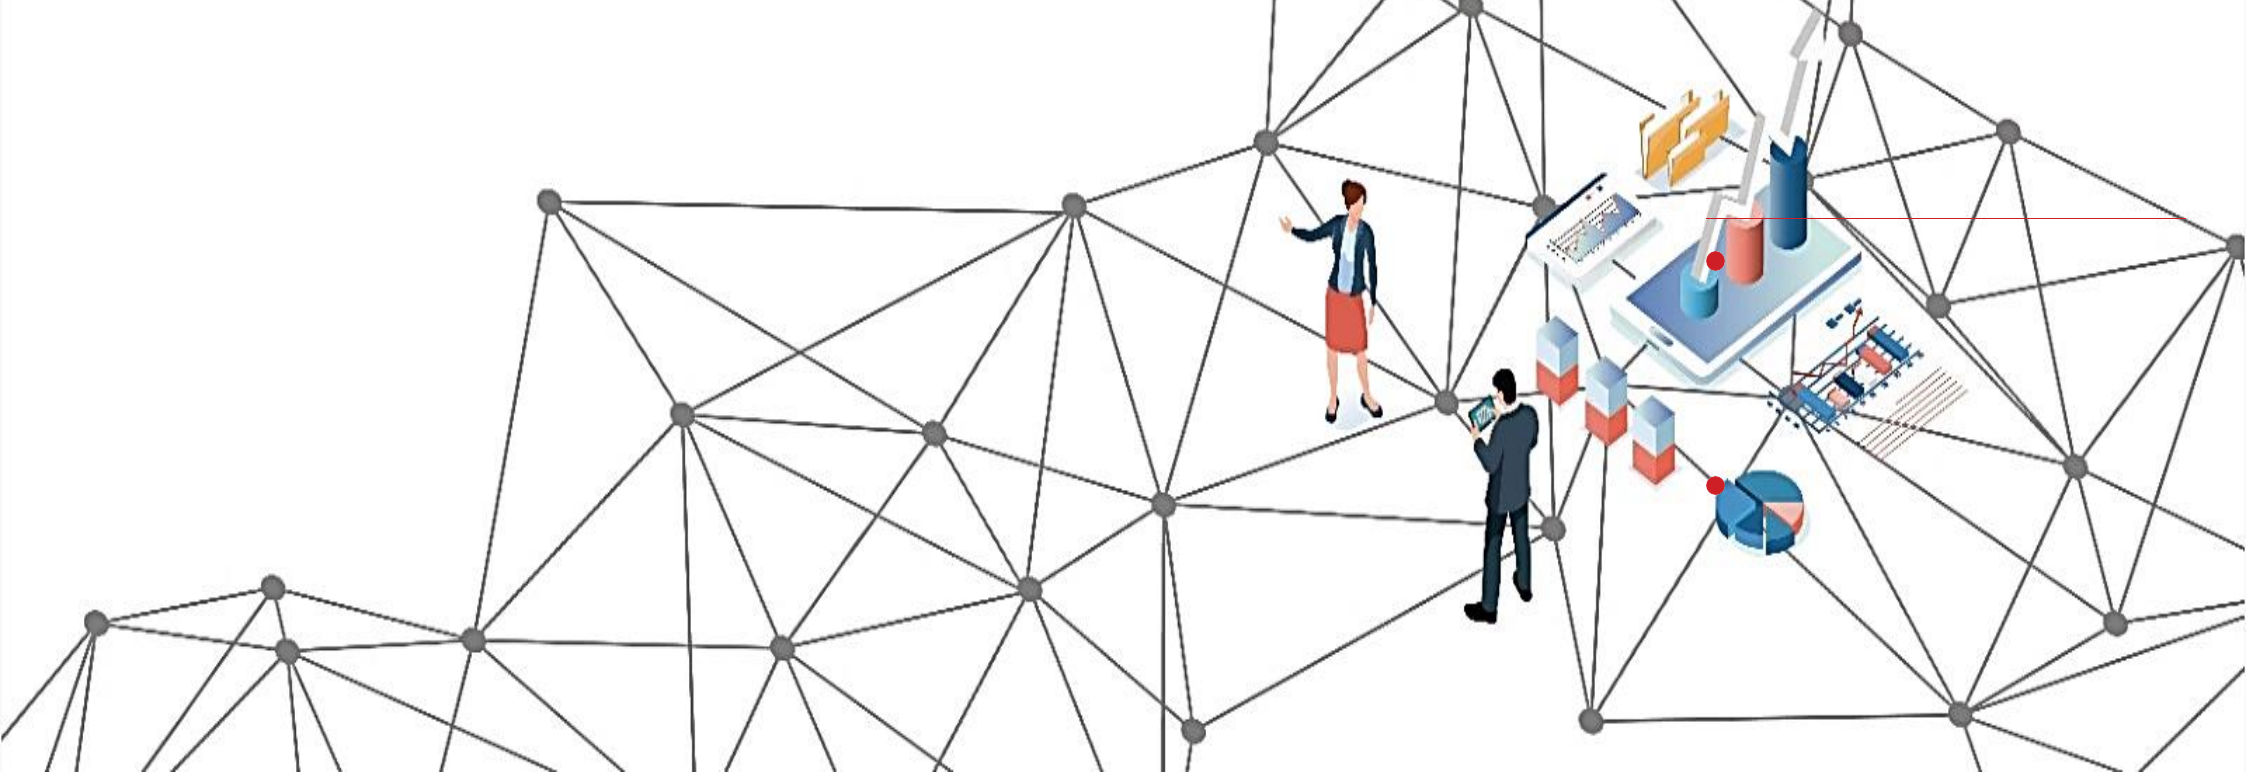

Find suitable **buyer credits** and confirmed **LCs** with a few clicks. Together with our partner we connect you to more than 50% of all existing banks worldwide that offer export loans. Whether you are looking to finance your imports or are helping your buyer find inexpensive financing. This applies especially to shipments to emerging markets and developing countries.

TESTIMONIALS

Experts across multiple industries

Passport and money printing – [Hermann Sterzinger | LinkedIn](#), Chairman of Advisory Board AUGENTIC GmbH

Augentic has participated in tenders regarding digital currency. Meenas Online helped us with documents, legal procedures and necessary contact within the government. I can recommend this service to any company.

Fast Moving Cosumer Good, [Ali Mahli | LinkedIn](#) Medical Director of Danone Iraq

I had a pleasure of meeting with Nisrin, and I am impressed with your Company's ability to manage all the complex system & problem and quickly find a simple, straightforward, and affordable approaches & solutions. I was even more with how well you personally maintained and managed the operations that serving customers with complex needs.

Energy – [Oswin Möller | LinkedIn](#) Director of Sales Energy Industries at ABB

During the past years ABB Energy executed several multi-million USD projects in Northern Iraq and Mrs. Nisrin Khalil was very supportive with her knowledge and local network to overcome various business challenges in this country.

Diplomatic Missions, [Dr Stavros Kyrimis | LinkedIn](#) Diplomat

I have known Nisrin and her team for almost 5 years and have inquired several due diligence reports to check company details from different sectors. The service of Meenas Online was very quick and responsive. Reports were highly professional and informative containing relevant background information.
